

MEREBROOK PUPIL PREMIUM PASSPORT

Clothing & Food support

When children entitled to Pupil Premium funding join in EYFS or throughout the year, families can request a one-off £30 Kedaph Schoolwear voucher to purchase uniform. After this, there will be a pre-loved uniform sale once per term, where all items are priced at £1. We kindly ask that any uniform purchased through this scheme, once no longer needed, is donated back to the school to support other families. We also offer St. Mark's Meals to families who may be struggling with food shopping.

Pupil Progress

Termly discussions take place between the senior leadership team, teachers and support staff to review each child's progress. Tailored support strategies are then put in place to accelerate learning, remove barriers and ensure every child is supported to achieve their full potential.

After-School Clubs

Children eligible for Pupil Premium funding are offered one free after-school club each year for up to ten weeks. A range of clubs are available, helping children to develop new skills, interests and friendships beyond the classroom.

Quality First Teaching

All children receive the highest quality teaching through experienced teachers who adapt teaching to children's individual learning styles.

Roles & Responsibilities

Children who are eligible for Pupil Premium funding are encouraged and supported to take on leadership roles within school. This may include becoming an Ambassador, Playground Leader or undertaking other responsibilities that help them contribute to the school community, develop confidence and build leadership skills.

Educational Visits & Extra-Curricular Experiences

We have a wide range of educational visits across all year groups which are subsidised by 25%, upon request, for Pupil Premium children. Each year group go on at least one educational visit as well as have a range of other enrichment opportunities in school.

Sporting, Music and Other Events

Children eligible for Pupil Premium funding are encouraged and supported to participate in sporting, musical and other enrichment events. When selecting children to represent the school, consideration is given to ensuring that children eligible for Pupil Premium funding have opportunities to take part and showcase their talents.

Community, Pride, Aspire
