Newsletter

Dear Parents and Carers,

It has been great to welcome so many Parents and Carers into school this week for our **Parent Consultation meetings**. Thank you for your engagement in these meetings. We hope that you found these meetings useful. This is the final formal parents consultation meeting of the school year as you will receive a written report for your child highlighting their progress and next steps in their learning in July. You can however contact your child's Teacher at any time if you would like an update on their progress.

Red Nose Day is back on Friday 20th March. We're joining thousands of people across the nation to come together, have fun, and raise money to help make a real difference in people's lives here in the UK and around the world. We invite all children to dress in non-uniform on this day in exchange for a donation to Comic Relief. Donations can be made online and go directly to the charity. Please click here to make a donation - do not send in cash donations.

As mentioned in last weeks newsletter, we have now an **Amazon wishlist** which can be accessed here. Please use this as per the newsletter last week if you would like to buy a gift to mark your child's birthday. There are a range of resources, including books, that would help enhance our school provision. Thank you in advance for your generosity.

Have a good weekend,
Mrs White
Executive Headteacher
